Izjave vozača: / Drivers statements:

st.br.6 - Luca Betti (I):

«Jučer nije bila laka utrka, a nakon nesreće u Istanbulu malo smo kalkulirali da ne napravimo neku grešku. Bili smo zadovoljni s vodstvom u prvom brzincu, a u drugom su nam gume bile premekane pa smo izgubili nešto vremena. Današnji brzinski ispiti su drugačiji nego jučerašnji, a ishod ćemo tek vidjeti.»

st.no.6 - Luca Betti (I):

«It wasn't an easy race yesterday. We were calculating because of the accident in Istanbul and trying not to make a mistake. We're satisfied with the first special stage, but in second the tires were too soft so we've lost some time. Today's special stages are different then yesterday's, we'll see the results.»

st.br.1 - Michal Solovov (PL):

«Jučer smo imali problema sa «setupom» auta, nadamo se da će danas biti bolje. Što reći o drugim vozačima, jako su brzi, no pokušat ćemo pobijediti.»

st.no.1 - Michal Solovov (PL):

«Yesterday we had some problem with a car setup, we're hoping that today it will be better. What can I say about other drivers, they are all very fast, but I'll try to win.»

st.br.5 - Juraj Šebelj (HR):

«Nismo zadovoljni jučerašnjim «setupom» niti vožnjom, danas je novi dan»

st.no.5 - Juraj Šebelj (HR):

«We're not satisfied with yesterday's car setup neither with the ride. Today is a new day.»
