## BORBA LAVOVA

Nakon tri brzinska ispita po Samoborskom gorju borba u samom vrhu ukupnog poretka vodila se između četiri Peugeota 207 S2000. Jučer su se za vodeću poziciju nadmetali Talijani Fontana/Cassina i Betti/Bernacchini, dok su im se danas priključili i Bugari Donchev i Yordanov koji su uspjeli preuzeti vodstvo, te Poljaci Solowow/Baran. Tako su se Fontana i Cassina spustili na drugo mjesto s 10.4 sekunde zaostatka, slijedili su Poljaci, te Betti i Bernacchini s 23.1 sekunde za vodećim. Jedan od najzahtjevnijih brzinskih ispita Budinjak sa svojih «1000 zavoja», donio je probleme Juraju Šebelju i Toniju Klincu u Mitsubishi Lanceru EVO IX. Zbog kvara na mjenjaču, pola brzina vozio je u jednoj brzini te postigao lošiji rezultat od očekivanog.

U tijeku je drugi dio natjecanja, ponovno na Okiću, Pleševici i Budinjaku nakon čega vozači dolaze u Zagreb na popularni Bunde gdje se nadamo atraktivnim vožnjama i velikom broju gledatelja.

Bunde počinje u 18,30 sati.

## FIGHT OF THE LIONS

After three special stages on Samoborsko gorje fight in the very top of the total order was led between four Peugeot 207 S2000. Yesterday Italians Fontana/Cassina and Betti/Bernacchini were competing for the leading position but today two crews joined them - Bulgarians Donchev and Yordanov who managed to take the lead, and the Polish crew Solowow/Baran. As a result, Fontana and Cassini went down to the second place with 10.4 seconds delay, followed by

Poles, and then by Betti and Bernacchini with 23.1 seconds delay. One of the most demanding special stages Budinjak with its «1000 road curves», brought some problems to Juraj Šebalj and Toni Klinc in Mitsubishi Lancer EVO IX. Due to the failure of the gear box he drove half of the special stage in the same speed and achieved worse result than expected. The second part of the competition is in progress, again on Okić, Pleševica and Budinjak after which drivers will come to Zagreb on the popular Bunde where hopefully we will see some attractive runs and large number of spectators.

Popular Bunde starts at 6:30pm.
